

# Smart Neuro Health & Wellness Centers

is proud to announce the addition of  
Dr. Adnan Khan, Neurologist

---

Khan, a board-certified Neurologist, graduated from King Edward Medical University in Pakistan in 2007. From an early age, Dr. Khan held an interest in Neurology. Building on his dream and vision, Dr. Khan conducted research in Neurology at SUNY Buffalo wherein he completed his residency in Neurology from 2012-2016.

Dr. Khan completed a Clinical Neurophysiology Fellowship – Epilepsy Track at Duke University in 2017.

Wentworth Douglas Hospital, a Mass General-affiliated Hospital, recruited Dr. Khan to work as a General Neurologist and Prospective Director of the Epilepsy Unit.

November appointments are available now.
